

# KONGRESS -ZENTRUM KREUZ

## CONGRESS DOCUMENTATION

At the Congress Centre Kreuz, you will find professional event facilities for business and private occasions, all under one roof at over 600m<sup>2</sup>, centrally located in the heart of the city of Bern. Whether a workshop, a meeting, a concert or a family celebration. Thanks to the numerous possible combinations, we can offer you rooms for 10 to 240 people. Of course, modern infrastructure and technology are also included. We offer attractive workshop packages for groups of 15 or more. Choose a suitable offer from three possible variants.

All our rooms have been named after personalities who are either directly connected to our house or have a firm place in the history of Bern. Feel the creativity of the most famous Bernese painters Albert Anker and Ferdinand Hodler in the halls named after them or learn more about the founder of the Blue Cross and his connection to our property in the Bovet hall.

Aperitif, standing buffet, workshop lunch or banquet? You can choose the culinary setting from our flexible catering offer. We have compiled detailed information on the banquet rooms as well as the current menu suggestions for aperitifs, standing buffets and banquets in separate documents.

You need advice or you have any questions? We have extensive experience in organising congresses, workshops and banquets. We will be happy to create a specially tailored offer to fit your needs. Our flexible team will be happy to help and advise you before and during your events. We are looking forward to your visit.
